

# Words<sub>2</sub>Math Level 1: Zip and Abby

## Field Test – Second Cycle

### Fall 2016

If you think that *Zip and Abby* may help your students, we welcome you to join the field test. There is no obligation. You may use *Zip and Abby* when and if you wish.

#### During the field test, you get

- Unlimited access to *Zip and Abby*.
- Access to information about how often your students use the app and which lessons they complete.
- Special access to the author of *Zip and Abby*, in case you have questions, comments or suggestions.
- One passcode that you and your students can use.

#### With the class passcode, each student can

- Log on with a unique username, chosen by you or the student.
- Use *Zip and Abby* whenever he or she wishes from any computer, laptop or smartphone.

#### To apply for a class passcode:

1. Click the button on the homepage.

I want to try field testing  
Zip and Abby

2. Fill out and send the email template that appears.

Passcode Request
Please email me a passcode for my class. Here is my information.
State _____
District _____
School Name _____
School Type (Preschool, Elementary, etc.) _____
Grade _____
My email address _____
I have some questions.
_____
_____

## Privacy Policy

All student information is anonymous. Only someone, like you, who knows a student's username, will be able to match the usage information to the student.

For each username, the app keeps track of:

- Date and length of each session and the type of device used.
- Lessons and items completed to date.
- Total time spent to date.

## Follow Up

At the end of the field test, we may invite you to let us know about your experience with *Zip and Abby*. It will be an opportunity for you to help shape the continuing development of *Words<sub>2</sub>Math*.
